

## **Shear strength, Elastic Modules & Poisson's Ratio in Rocks**

| <b>Parameters</b>  | <b>Standard</b>                 |
|--|---------------------------------|
| Rock Triaxial Test   | ASTM D 7012-07                  |
| Unconfined Compression Test with Poisson's ratio & Young's Modules | ASTM D 7012-07 & ASTM D 2938-79 |
| Uniaxial Compressive Strengths (50 mm, 70mm, 100mm)                | ASTM D 2938                     |
